COMMUNITY STANDARDS AND SAFETY

Safe and *professional*, for everyone

These simple rules apply to every model, business and team member on Catwa. They keep the platform safe, honest and professional.

RULE 1

Be real

Use your real name or business name. Only upload photos of yourself, or work you have the right to use.

RULE 2

Be professional

Be polite, reply on time, arrive on time and do what you agreed.

RULE 3

Agree in writing

Agree fees, dates and photo use in writing before every job. Keep messages on Catwa.

RULE 4

Respect boundaries

No pressure, no harassment and no requests outside the agreed job. Ever.

RULE 5

Never ask for money to work

Clients must never ask models to pay to get a job, a casting or a shoot.

RULE 6

Protect under-18s

Models under 18 need a parent or guardian's consent, and a guardian present at every job.
